## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-5 are allowed.
2. The following is an examiner's statement of reasons for allowance: Regarding claim 1, and as accurately argued by the applicant, Gersten (US#6295705) in view of Biggar (US#6421890) discloses all of the limitations except for aligning each container with a name plaque. It would not have been obvious to one of ordinary skill in the art to further modify the burial urn of Gersten in view of Biggar such that each container was aligned with a name plaque. Claim 5 includes the allowable subject matter discussed above and is therefore allowable for at least the same reason(s).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
